

BECOME AN INTERNATIONAL FRIEND OF THE CARTAGENA INTERNATIONAL MUSIC FESTIVAL

Since it began in 2007, the Cartagena International Music Festival has transformed the cultural life of Colombia with world-class music programming. Recognized by The New York Times as one of the “Places to Go in 2008,” the Festival attracts enthusiastic audiences from around the world. Our continued success depends on individuals such as you who share our vision. We invite you to become an International Friend of the Festival today.

The Cartagena, III Festival Internacional de Música relies on the generosity of individuals to provide the needed financial support to produce these events, as well as making them accessible to the largest number of people, still while keeping our mission. Income from ticket sales covers only a small portion of the costs associated with producing the Festival. Your support will help ensure our ability to bring world-class music and educational programs to Colombia, to establish Cartagena as an international cultural venue and most importantly, help us to build a musical legacy for this country and its people to enjoy in the years to come.

You can play a leading role in ensuring the success of the Cartagena, III Festival Internacional de Música.
